In re Application of :  
Gantier, et al. : LETTER REGARDING PATENT  
Application No. 10/658,834 : TERM ADJUSTMENT  
Filed: September 8, 2003 :  
Attorney Docket No. 120239  
00005/922

This letter is in response to the "LETTER REGARDING PATENT TERM ADJUSTMENT AT ALLOWANCE PURSUANT TO COMMENT 43 OF THE FINAL RULE," filed July 17, 2009. Pursuant to applicants' duty of good faith and candor to the Office, applicants request that the determination of patent term adjustment under 35 U.S.C. 154(b) be reviewed for accuracy.

The request for review of the determination of patent term adjustment is granted to the extent indicated herein.

The Office has updated the PALM and PAIR screens to reflect that the Patent Term Adjustment (PTA) determination at the time of the mailing of the Notice of Allowance is forty-nine (49) days. A copy of the updated PALM screen, showing the corrected determination, is enclosed.

On July 9, 2009, a Determination of Patent Term Adjustment under 35 U.S.C. 154(b) was mailed indicating that the patent term adjustment to date was 91 days. On July 17, 2009, applicants submitted the instant comment. Applicants disclose that applicants believe that the patent term adjustment indicated in the Determination of Patent Term Adjustment under 35 U.S.C. 154(b) mailed July 9, 2009, may be longer than appropriate. Specifically, applicants state:

Please review these PTA calculations with attention to the *Supplemental Response* filed December 1, 2006, after the *Response to Election* filed October 20, 2006, regarding Applicant delays, along with the subsequent mailing of the Non-Final Office action on April 4, 2007 for Office delays.

*Excerpt from "Letter regarding Patent Term Adjustment at Allowance Pursuant to Comment 43 of the Final Rule", filed July 17, 2009, p. 1.*

Pursuant to 37 CFR 1.704(c)(8),

(c) Circumstances that constitute a failure of the applicant to engage in reasonable efforts to conclude processing or examination of an application also include the following circumstances, which will result in the following reduction of the period of adjustment set forth in § 1.703 to the extent that the periods are not overlapping:

(8) Submission of a supplemental reply or other paper, other than a supplemental reply or other paper expressly requested by the examiner, after a reply has been filed, in which case the period of adjustment set forth in § 1.703 shall be reduced by the number of days, if any, beginning on the day after the date the initial reply was filed and ending on the date the supplemental reply or other such paper was filed.

A review of the application file record reveals that on April 20, 2006, a restriction requirement was mailed to which applicants filed a response on October 20, 2006. On December 1, 2006, applicants filed a supplemental response to the restriction requirement. Pursuant to 37 CFR 1.704(c)(8), it is appropriate to enter a reduction to the patent term adjustment of 42 days beginning from the day after the date the initial reply was filed, October 21, 2006, and ending on the date the supplemental reply was filed December 1, 2006. Accordingly, the period of reduction to the patent term adjustment of 42 days for applicant delay pursuant to 37 CFR 1.704(c)(8) will be entered.

The period of adjustment of 43 days for Office delay entered for the mailing of a non-final Office action on April 4, 2007, four months and 43 days after a response to the restriction requirement was filed on October 20, 2006, has been reviewed and is determined to be appropriate. See 37 CFR 1.704(b).

In view thereof, the correct patent term adjustment at the time of the mailing of the Notice of Allowance is **forty-nine (49) days** (502 days of Office delay - 453 days of applicant delay).

As this letter was submitted as an advisement to the Office of an error in applicants' favor, the Office will not assess the \$200.00 fee as set forth in 37 CFR 1.18(e). The Office thanks applicants for their good faith and candor in bringing this to the attention of the Office.

Applicants are reminded that any delays by the Office pursuant to 37 CFR §§ 1.702(a)(4) and 1.702(b) and any applicant delays under 37 CFR § 1.704(c)(10) will be calculated at the time of the issuance of the patent and applicants will be notified in the Issue Notification letter that is mailed to applicants approximately three weeks prior to issuance.

The Office of Data Management has been advised of this decision. This matter is being referred to the Office of Data Management for issuance of the patent.

Telephone inquiries regarding this matter should be directed to Kenya A. McLaughlin, Petitions Attorney, at (571) 272-3222.
